

## JANUARY 2022 PPMI NEWSLETTER

*Happy New Year's EVERYONE!!!*

As we start this new year, we again want to give THANKS to all of you for your generous donations throughout the year!!! Our *Toy Drive* was a great success, and this was only because of you!!! Through all your donations: monetary, software, clothing, food, and your time, we continue to provide needed resources to our community in the area of Domestic Violence and Child Abuse. Our doors have remained open because of you and just saying “Thank you” does not describe how deeply we are humbled and grateful for your amazing support over these last 26 plus years

PPMI is excited to announce a new partnership with *One Legal* – California court filing and process serving software for law firms. With the new Superior Court policy and procedures of electronic filing, we have chosen to submit all our Temporary Restraining Orders (TRO) electronically, so our clients do not have to do so in person.

Their mission is to help legal nonprofits do more good with more resources. Through their community partnership nonprofit program, we are able to receive free and discounted fees for electronic filing.

After trying several other electronic filing agencies, we can truly attest to the ease and simplicity of filing our TROs through One Legal’s electronic system.
