**RE: New Processing Fee for Temporary Restraining Orders**

Dear Clients,

Due to the Superior Courts of California electronic mandate filing for all family law cases, which went into effect on November 15, 2021, our agency will charge a \$10 court processing fee in order to file all Domestic Violence/Intimate Partner Violence Temporary Restraining Orders electronically.

Thank you for your understanding and cooperation as we are learning a new electronic filing system.

Sincerely,

PPMI Management and Board of Directors
